REMARKABLE GROWTH. I love the word "Phoenix." The sound is melodious to my ear, and it is predicted that she will have a population equal to that of Denver. Perhaps this may be and perhaps not, but there is one thing we do know—that Phoenix is growing rapidly in every direction, phenomenally, north and northeast, but all the people can not live out that way, and she is now beginning to push hard towards the northwest, with a direct aim at KENSINGTON PLACE.

Wake up, young man, to the great possibilities ahead of you. Delay not to get to KENSINGTON PLACE. Carefully investigate it, with its beautiful mountains beyond, interspersed with landscape. Then, after careful consideration, decide to take one of the alfalfa lots and transform it to a happy home for two.
